About

I have my own open source projects, one of them is a Ruby library. It has reached **9k+ downloads**. You can find it and other projects or contributions to OSS in my GitHub account. I have experience in teaching students in the discipline *Theory of Formal Languages*. Also, member of jury KaiCode OSS festival. In addition you can take a look at my StackOverflow account.

Experience

Samokat.tech | Kotlin Developer | Senior | 23.10.2023 - present.

- Working on the clients tickets system. Developed a few OSS products during the working in project – checkout my GitHub account. Opened an issue at Spring Framework. Tried to contribute to DGS, but it was ignored.

  Kotlin, Spring Boot, Spring Security, Spring Cloud, Gradle, Apache Kafka, RabbitMQ, PostgreSQL, Jooq

VTB | Java Developer | Junior - Senior | 03.04.2021 - 30.08.2023.

- Integration of banking systems. Work on CRM for the banking segment.
- Added unit-tests linter to project. Found a bunch test anti-patterns in project, excluded part of them by contribution into linter.

  Java 11, Spring Boot, Spring Data, Spring Security, Spring Cloud, Maven, Apache Kafka, RabbitMQ, PostgreSQL

Skills

- Java, Kotlin | Spring Boot, Spring Data, Spring Security, Spring Cloud, Spring WebFlux, Maven, Gradle, Liquibase
- RDBMS | PostgreSQL
- CI/CD | GitHub Actions - contributed to some GHAs
- Other | Ruby, Rust

Education

Volgograd State Technical University |

Bachelor, Engineering and Economics, Software engineering   2020 - 2025
